**PETITION TO RESET A PERIOD FOR REPLY
DUE TO NON-RECEIPT OF OFFICE ACTION**

Attention: Group Director of Technology Center 3700

Commissioner for Patents

P.O. Box 1450

Alexandria, VA 22313-1450

Sir:

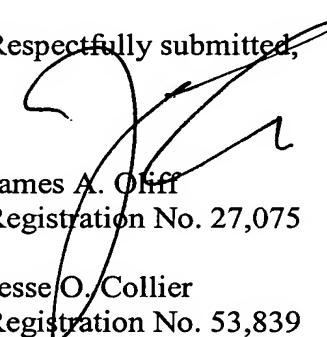

It is respectfully requested that the March 7, 2006 Office Action be re-mailed to the attorneys of record and the statutory period for replying to the March 7, 2006 Office Action be reset.

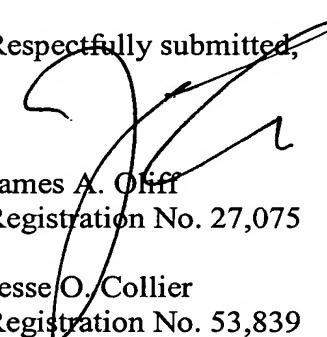

On June 16, 2006, Applicant's Representatives accessed the online Patent Application Information Retrieval (PAIR) system to determine the status of the above-referenced application. According to PAIR, an Office Action had been mailed on March 7, 2006. The Office Action was not received in the offices of the undersigned. A search of the file jacket and docket records indicates that the Office Action was not received. A copy of the computerized docket record where the non-received Office Action would have been entered had it been received and docketed is attached.

Furthermore, the Patent Office image file wrapper within PAIR indicates that the March 7, 2006 Office Action was returned to the Patent Office as undeliverable on March 8, 2006. The Patent Office did not attempt to re-send the Office Action. A copy of the image file wrapper contents is attached hereto. A copy of the returned mailing, which Applicant's representative obtained from PAIR, is also attached. The mailing appears to have been returned to the Patent Office for failure to properly display an address.

In view of the foregoing, Applicant respectfully request that the non-received Office Action be re-mailed to the attorneys of record and that the statutory period for response be reset from the date on which the Office Action is re-mailed, to reinstate the time which was lost due to non-receipt of the March 7, 2006 mailing.

Respectfully submitted,

James A. O'Neill
